Many families need the flexibility to have full and half day preschool options. This program seeks to provide options that meet your family's needs. We have a class for three year-olds as well as four year-olds offered daily. Class size this year will be limited to 16 for each class.

It is our desire to present a preschool program that prepares early childhood students developmentally and academically for kindergarten in an environment that is inviting, nurturing, and loving.

*We reserve the right to cancel a class if minimum enrollment numbers are not met. All fees would be refunded.*
