STUDENT CODE OF CONDUCT

Decatur Christian School is committed to the teachings and principles clearly presented in the Bible. Such commitment dictates that there should be a direct relationship between what a Christian student believes and how he/she behaves. Since the behavior of each and every student in the Decatur Christian School student body, whether on or off campus, directly affects the reputation of the individual student, Decatur Christian School, and the Lord Jesus Christ, it is necessary to place strong emphasis on critically important behavioral standards. In particular, students at this school will not use alcohol, drugs, tobacco, engage in any acts of immorality, or speak or act in any profane or obscene way. DCS students will be expected to honor the Godhead and the Word of God, respect the United States of America, and show respect to all personnel of this school.

My signature below is an acknowledgment that I understand the nature of the spiritual, behavioral, and academic standards of Decatur Christian School, and that I agree to be held accountable for any violations of these standards. My signature further evidences my desire to be a member of the Decatur Christian School student body.
