Tuesday, April 05, 2011

Dear Parents,

As the school year comes to an end, my mind has begun the process of preparing our summer volleyball program. You have received this letter because your daughter has expressed an interest in participating in the upcoming season. My hope is to assist you in the planning of vacations and other activities.

First, our summer training begins on June 7 with our annual Decatur Christian Volleyball Camp. The time and dates are contained on the attached flyer. **Registration ends on May 20, so get your form in ASAP.**

Second, we will once again compete in the summer league program offered through the Decatur Indoor Sports Center. We will play on seven consecutive Monday nights (except July 4th) starting June 6 from 5:00 to 9:00 PM. If you would like your daughter to participate in this event, **please sign and return the attached waiver form by May 13. The participation fee will be \$30.00 per player.**

Third, our team is hoping to compete in one or both of the Millikin Team Competition Camps. Participation will depend on player availability and interest. The dates are June 15 & 16 and July 13 & 14. They are round robin tournaments with nothing but game after game.

Fourth, I have attached a list of the Illini Elite VBC summer camp opportunities. It is not required, but if possible, I would love to see every player attend one session in Bloomington. **The program is intense, specialized, and reinforces all the concepts** taught in our Decatur Christian Camp. Their camps are available at the Illini Elite Training Center during the month of July. You can reach the registration website by going to www.illinielite.com and clicking Illini Elite Summer Camps on the left sidebar.

Last, on the back side of this letter you should find the tentative schedule for next year. This should aid you in planning vacations. In order to build a strong, competitive program, we need your help in achieving the maximum participation possible. That will be less than 100% from time to time, but when it comes to team building, it's a great goal.

As always, you can contact me by calling my cell phone at 972-5911. During school hours, the fastest way to contact me is by e-mail at jwbraun@decaturchristian.net. Thanks for the investment you have made in your daughter's future, our team and Decatur Christian School.

Sincerely,
Joseph W. Braun
