

# Decatur Christian School

## End of school pick-up procedure

Barricades will be set up (during pick-up only) at the north end of Grant Street. This is to eliminate south-bound traffic flow during pick-up time. All traffic must enter Grant St. from the south end (Ruehl St.) and move toward the school going north (toward Shaffer Road).

### Parents of Kindergarten through 5<sup>th</sup> graders:

Drivers will proceed north-bound in the regular right lane until you reach Moon St. At Moon Street, you will then be directed to cross lanes moving toward the school sidewalk which will be on your left (west). Please leave access at Moon St. so traffic coming west on Moon can get to the Pre-K parking area. The first cars lining up will be directed to go as far to the north as possible. Please be sure to place your car tag (provided for you by the school) on your dash so that the administrator coordinating dismissal can clearly read it. The administrator will call your student's name on the walkie-talkie and your student will then be dismissed from class. Please stay in your vehicle; your child will come out to you. The administrator in charge of dismissal will ensure that your child gets to your vehicle.

### Parents of 6<sup>th</sup> through 12<sup>th</sup> graders:

Drivers will proceed north-bound in the regular right lane until you reach Moon Street. At Moon Street you will proceed forward on the East side of the street. Please leave access at Moon Street so traffic coming west on Moon can get to the Pre-K parking area. Inform your child to look for you across the street. Students will be assisted across the street at the crosswalk periodically.

### High School Student Drivers:

Students who drive themselves should park in the north lot and will exit the parking lot directly onto Shaffer Road.

Please help us be good neighbors by keeping all driveways open and accessible.
